**Letter of Appeal - Funding Year 2012-13 Form 471 Postmarked Outside of Window Letter**

Please consider this a letter of appeal for Almont Community School District, BEN 130790. 471 Application #844053: FRN 2291657 Frontier North, FRN 2291658 Century Link and FRN 2291654 ATT.

I had help (from co-workers, who are also Erate Consultants) filing 471s on March 20, 2012 and assumed it had been submitted. Unfortunately I did not notice an error message on the certification ID number line until I was reviewing the schools paperwork several weeks after that last day of filing. During the 471 filing process, we had received a message from SLD stating there were problems with online certification and I had gotten a similar message for 2 other schools which both ended up being certified successfully.

As soon as I realized that the submission and certification had not gone through properly I resubmitted and recertified the application.

You may contact me at any time for further information. My contact information is below.
